Senatla Profile

Spraypainting	Panelbeating	24 hour towing service

Senatla Panelbeaters offers the best quality repair work to accident damaged vehicles and excellent customer service. The Business is a level 1BEE contributor and a member of RMI. The Business was purchased from Enzo Executive Panelbeaters in March 2010.

He had already put up operational structure for the purpose of panelbeating over the past 23 years.

The business premises is situated in Pretoria-West 170 Charlotte Maxeke Street in an Industrial area, which consists of a number of panelbeating shops. As the business is situated in a developing area, various strategic interventions are being developed to tap into the market, and being the first shop from the east into Pretoria-West easily accessible. The land is a position of ERF 03172 measuring 2075 square meters in the township of Tshwane local Municipality. Senatla Panelbeaters is an owner-managed business which is one of the key factors in our continued success. The knowledge and experience that this brings, provides clients with the confidence that their cars will be repaired to factory standards.

Furthermore Senatla Panelbeaters' main objectives are to improve growth of the business through constant training and development of their staff members and skilling up talent within the business, with a number of staff having worked for Senatla Panelbeaters for as long as the business has been operating.
