

Panel-Rite Autobody Repair Centre

is hereby officially certified by Ford

This body shop is certified by Ford as a Collision Repair Network Provider. This collision repair business has been certified, based upon meeting and/or exceeding the required Ford standards specifying the necessary tools, equipment, training and customer service facilities.

Valid Through: 31-12-2017

Certification of Inspection

This document certifies that this independent body shop has been audited and approved by a Ford appointed auditor and officially recognised as a certified repair collision facility.

**Valid for a period of one year.*
