Dear Stephanie Hewetson

APPROVAL TO REPAIR NISSAN LEAF VEHICLES

This is to confirm that you are authorised to repair Nissan leaf vehicles both in and out of warranty based on the following conditions:

- The Nissan Approved Leaf Dealer need to inspect the accident vehicle and judge if it necessary for the Lithium ion battery to be removed prior repairing the vehicle. If needed, the work to be conducted by the Nissan LEAF trained technician.
- When the Vehicle has been repaired it needs to be returned to the Nissan Approved Leaf Dealer for final work and inspection and re-insertion of Lithium ion battery should it be required.
- The Nissan LEAF Dealer needs to consult/ inform the Body repairer of the do's and don't when work is conducted on the vehicle.

Should you have any concerns, please feel free to contact Maria on (012) 529 5019 or on e-mail at mariaf@nissan.co.za or Wimpie on (012) 529 5068 or e-mail at wimpies@nissan.co.za

Yours sincerely,

(No signature due to electronic transfer)
