To whom it may concern

Produkta Trucks is an authorized UD dealer – to sell, supply parts and repair vehicles under warranty.

We have a work agreement between panel beaters and the dealership.

The repairs done by the panel beater must be done with original parts bought from us.

The mechanical repairs is being done by ourselves as per our dealer agreement.

The completed vehicle will be inspected by our service department to insure that the repair quality and OEM standards has been met

Hope the above meet your needs

Yours sincerely

Gideon Visser
