Based on certain procedures performed, we have determined that the total annual revenue of the measured entity is R0.0 - R10 Million. Based on certain procedures performed, we have determined that the level of Blackownership / Black Women Ownership is as set out in this certificate. Our conclusion is subject to an inherent limitation in that our procedures performed were on historical financial information that has not been subject to audit or review. This certificate does not serve as a guarantee that the revenue or EME status reflected will continue at the same levels. Where the entity is a start-up enterprise this EME certificate is valid only for contracts with a single value of R0.0 - R10 Million. Should the contract value being tendered for be higher than R0.0 - R10 Million and less than R35 Million, the EME will be required to submit a QSE verification certificate with any tender. For contracts over R35 Million a generic B-BBEE verification certificate must be submitted.
