APPROVAL EXTENSION

Dear Approved Body & Paint Shop,

Once again apologies for the delay but as we still await the findings from the Information Regulator (POPIA) with regards customer contact details and to ensure that both parties are fully covered by our Service Level Agreement (SLA), we have to issue this further approval extension bulletin.

I can also still confirm that all the Honda Certified Body & Paint Shop certificates have been ordered, printed and are ready for distribution.

This bulletin hereby serves to extend your approval status for a further 60 days and is valid until 31/12/2022.

We confirm that this bulletin entitles you to continue conducting repairs on all Honda vehicles. Please use this bulletin and your previous extension bulletin as confirmation of your approval status.

As soon as the SLA has been finalised and signed off, AutoMatrix will provide renewal instructions as we are implementing a virtual 'signing' process to save courier costs and time.

Should you have any queries relating to the above, we request that all such queries be directed to Charne Conradie (charne@automx.co.za) or Candice Symonds (candice@automx.co.za) at AutoMatrix (Pty) Ltd.

Sincerely yours,

Dinesh Govender
