- The defect must obviously not be caused by rust through from the inside to the outside or from corrosion underneath the original paintwork.
- The paintwork must be kept free of contaminants.
- The owner of the vehicle must ensure that the vehicle is brought to our workshop every year for an inspection in the same month that the guarantee was issued.

Work done under this guarantee shall be subjected to the provisions hereof, read together with the Company's standard Terms and Conditions, which shall be binding on the vehicle owner.
