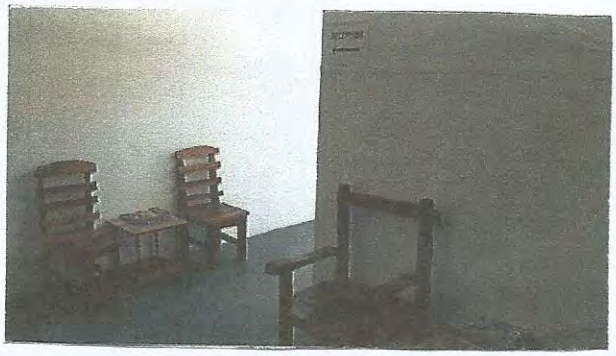
COMPANY BACKGROUND

Bodymaster Bodyworks was founded in 1999, and has undergone management changes in 2013. The business has shown exceptional growth in expanding its client base and financial income. The building measures 635 square meters, and is situated within the motor service hub of North End.



MANAGEMENT

We oversee that the workshop is run with absolute excellence, and that the parts ordered are correct to repair damaged vehicles in the shortest possible time.

We strive to obtain quality workmanship and customer satisfaction.
