VALUES

- We believe in open and honest communication.
- We acknowledge that our people are our most important asset.
- We believe in the empowerment of our people.
- We believe in integrity, honest, reliability, discipline and loyalty.
- We will apply ethical business behaviour practices.
- We undertake to comply with our social responsibility.

BUSINESS GOALS & OBJECTIVES

It is our requirement that our permanent staff also have a passion for vehicle repairing services over a long period, they are carefully selected and trained by us, we insist on a continuous high standard with all our clients and products.

We always build a trusting relationship with our clients, which lead, to us giving them long term services.

The work we do has a wide range, from very small orders to big contracts, what sets us apart from the rest is that we don't have large standard production restrictions and patents.

We are free to make small customised production runs, or do a lovely bespoke order exactly to the needs of customers.

Being able to have this flexibility has led to the growth of our clientele, who enjoy having things especially designed and made for them.

GROWTH STRATEGY

In our commitment to providing comprehensive quality vehicle repairing services TCJ Auto Body is mindful of the importance of supervision hence constant monitoring and interaction with clients.

We contribute to employee benefits & an average of the rates charged to our clients are given back to our employees, this helps us attract & return quality personnel who are proud of being part of a highly professional company who cares as much for its people as its clients.

MANAGEMENT QUALIFICATIONS

ZAREENA JACOBS: EXECUTIVE DIRECTOR

Ms. Zareena Jacobs is a dynamic black female with 10 years hands on motor industry experience.

She has been operating the business since 2010 and has grown it from a small 1 garage workshop of 650 square metres into a 2500 square meter business fully equipped to handle all major and non- structural repairs.

In the short space of time she has had the opportunity to work in this male dominated environment and prove to her peers that she has what it takes to achieve all goals set out for her.

Her future has now been set before her to make TCJ Autobody one of the best repairers in South Africa.

She will achieve this by using all her workshop experience, hard work and customer skill set.

OUR PARTNERS

We proud and honoured to be on the panels of the leading insurance companies in South Africa, such as Outsurance, Hollard, Telesure, Old Mutual Insure and Santam.
