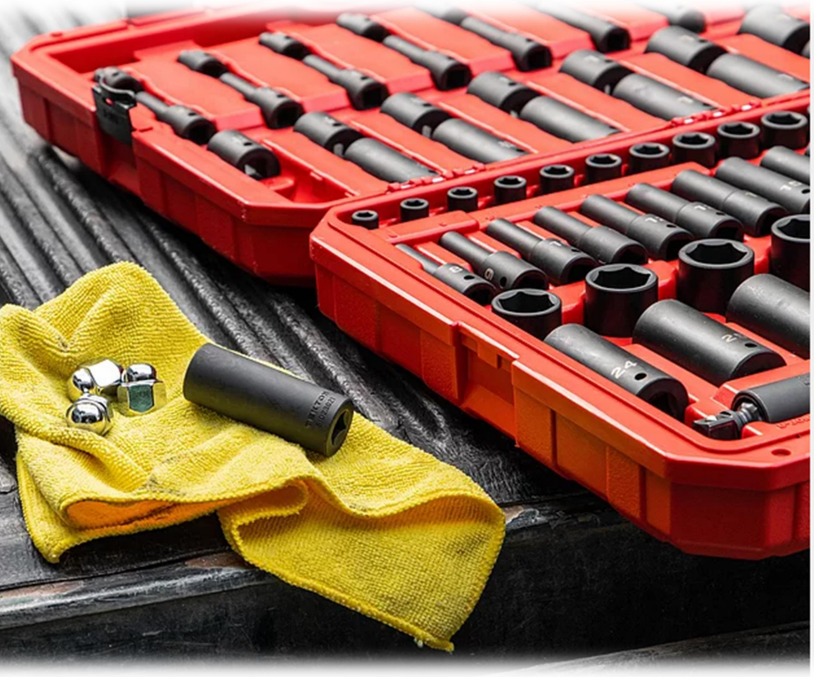
MacGyver COMMERCIAL

Company Profile



Who We Are

Doing It the best Way

Macgyver Commercial has been providing the finest Truck Body & Motor Body Repair services since 2015. We're an independently owned body repair shop for any make and model Truck or vehicle. Serving the Limpopo area as an insurance & manufacturer approved shop ensures that our technicians meet the highest industry standards.

Our goal is to be the best service leader. We'll do whatever it takes to earn your trust. We believe in providing the highest level of service in all areas of our expertise. We will go the extra mile to provide you with the best level of service.

Our Services:

Panel beating & Spray painting

Macgyver Commercial uses advance tools to repair panels without weakening the structural integrity of the panel. We use only the highest quality automotive paint, supplied by specialists to insure longevity and complete satisfaction

Major Structural Repairs

Macgyver Commercial is Qualified to repair major structural damages to your truck & vehicle's chassis. These repairs are carried out with great care and ensures structural rigidity of the repaired area stays intact, this is done with advance tools including our Blackhawk Chassis Repair system that uses induction heating to prevent weakening caused by conventional heating

Quotations

Our Staff are Qualified by VDQ to give accurate Quotations on the damages of your vehicle. Feel free to contact us to make a booking for a quotation or just stop by so our friendly staff can assist you.
