DIVERSITY

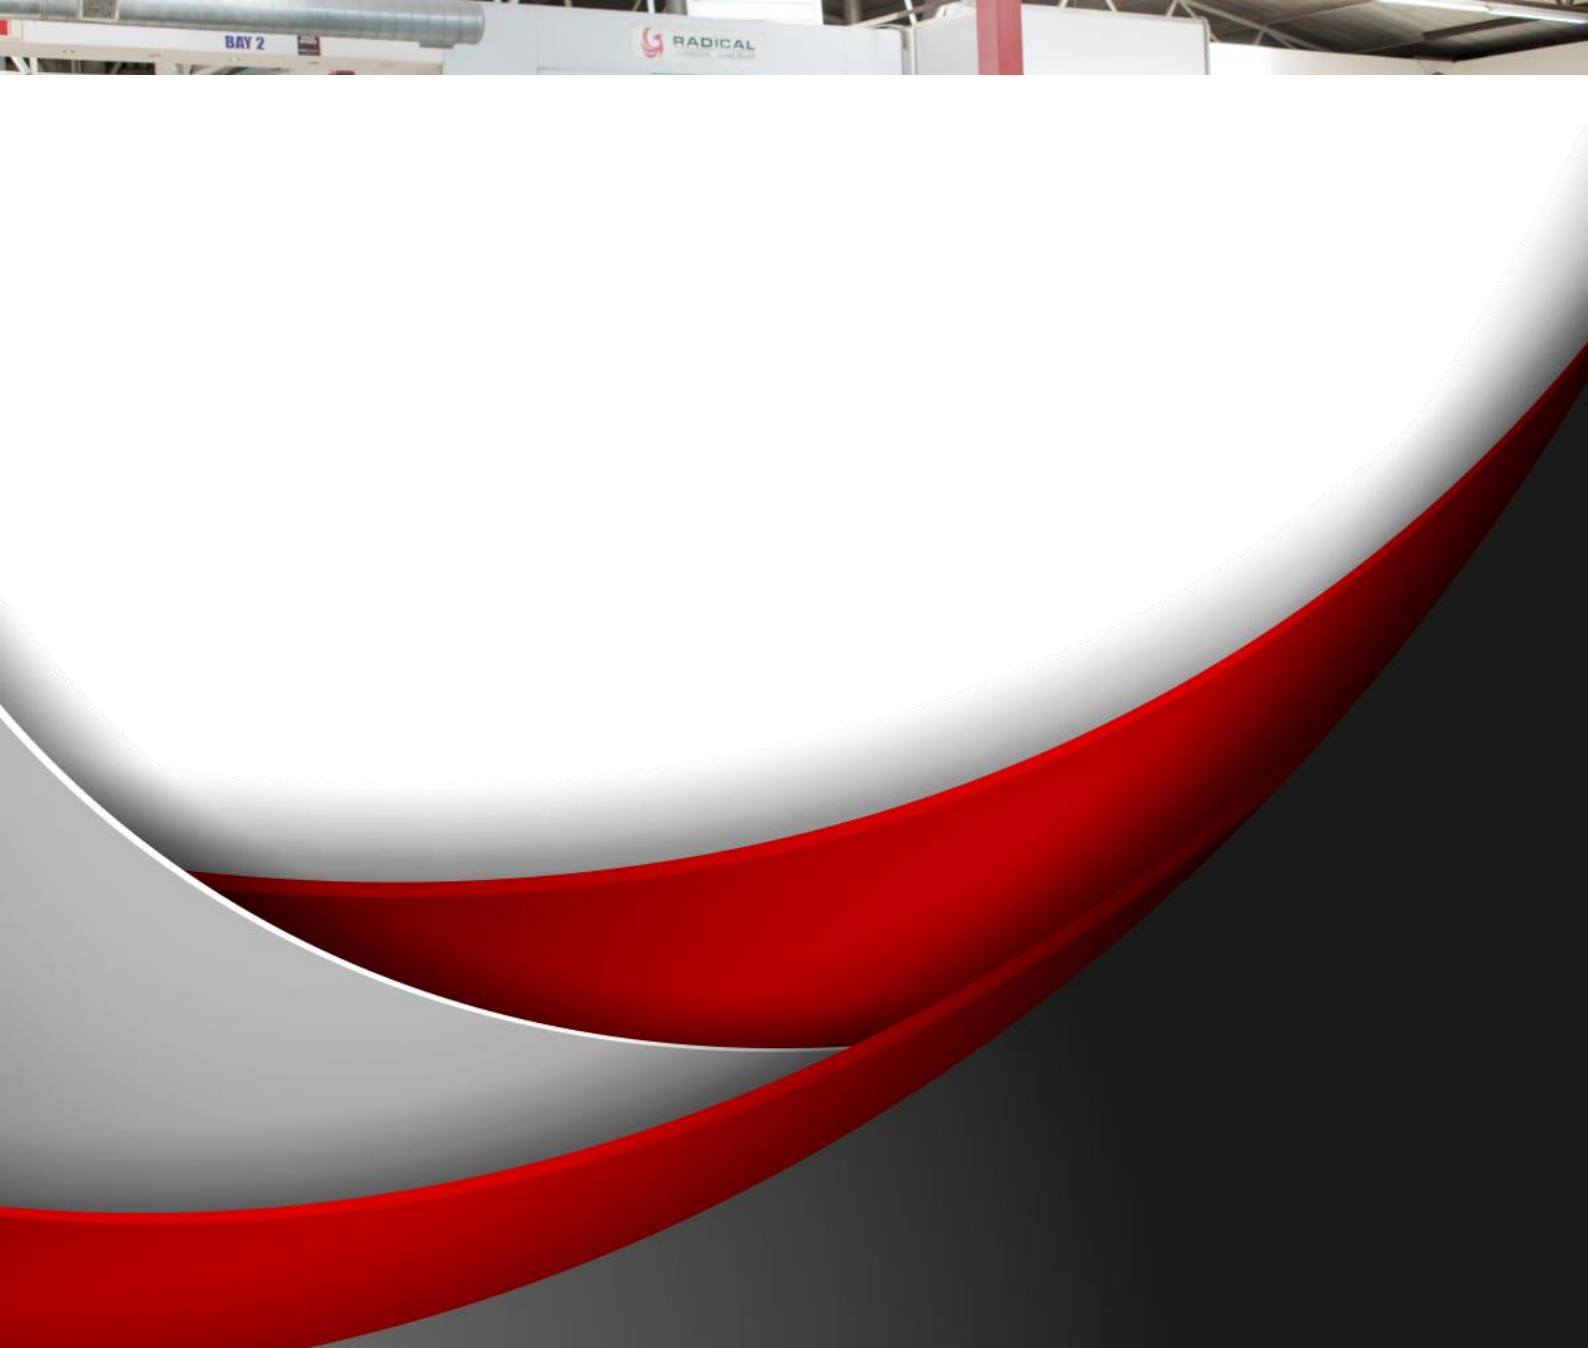

We encourage diversity amongst our members and respect the differences between us

SUPPORTIVENESS

We work daily to enhance and support each other with a collective sense of humour, which is the hallmark of our firm. We also form a strong support base around our clients who are going through difficulties after being involved in a car accident.

COMMUNITY

we are individuals with sense of family and community interest where we strive to better the life of the community at large.

Background

The business was purchased in 2007, complete with panelbeating operational structure in place for the previous 23 years. The business premises are situated in Pretoria West 198 Charlotte Maxeke Street in a industrial area, which consist of number of panelbeating shops. As the business is situated in the developing area, various strategic intervention has been and continues to be developed to tap into the market, with us being among the first shops from East of Pretoria West, easily accessible. The land portion of ERF 03171 Measuring 1800 square meter in the township of Tshwane Local Municipality.

Dino Panelbeaters is an owner managed business which is one of the key factors in our continued success. The knowledge and experience that this brings, provides client with the confidence that their cars will be repaired to factory standards. Furthermore Dino Panelbeaters have taken care in developing and skilling up talent within the business, with a number of staff having worked for DPB for as long as the business has been operating.
