COMPANY PROFILE

Introduction

Magaba Panelshop is strategically located in the heart of the Midlands in KwaZulu-Natal, South Africa. Our state-of-the-art facility at 249 Boom Street, Pietermaritzburg, is equipped to handle both minor and major automotive body repairs. Our customer centre ensures a welcoming environment that reflects our commitment to quality and customer satisfaction.

Unique Selling Points

- The only Level 1, A-plus, 135% B-BBEE supplier in Pietermaritzburg.
- 100% black-owned.
- Ethnically Zulu-themed display signage and overall aesthetic.

Vision

- To provide the best service in the industry for our valued clients.
- To produce the highest quality end product in the industry.
- To deliver a customer-centred, feel-good experience.
- To build lifelong partnerships with clients and stakeholders, including insurers.
- To create and maintain partnerships with development entities to train and facilitate employment, qualifications, and skills within the trade.

Leadership

At the helm is Mr Mthandeni Langa, who brings over 25 years of business experience. Mr. Langa is also involved with the Dynamic Dashing Solutions, an accounting & audit firm, as well as Magaba Cares Foundation, which assists underprivileged communities.

Service Area

Our workshop is based at 249 Boom Street, in the Pietermaritzburg CBD. We provide services stretching north of KZN as far as Ladysmith, south to Durban, and inland to Ixopo and Greytown.

Services Offered

- Autobody repairs
- Panel beating
- Spray painting
- Chassis straightening
- Bumper repairs
- Windscreen replacements
- Wheel alignment
- Air conditioner re-gas
- Diagnostics
- Towing & holding

Equipment and Standards

Our workshop is equipped with state-of-the-art, ISO 9000 manufacturer approved equipment, including:

- Internationally approved chassis straighteners
- Paint mixing stations
- Paint preparation stations
- Hoists
- Painting guns and equipment

Team

Our staff consists of qualified journeymen, panel beaters, assemblers, filers, and spray painters. The team is led by Mr Terrence Dickason, who has over 25 years of experience in the industry.

Commitment to Quality

We are dedicated to ensuring that every project we undertake meets the highest standards of quality and customer satisfaction. Our ethos is to blend technical expertise with a strong cultural identity, providing a unique and enriching experience for our clients.
