HARP BULLETIN

TO:	Hyundai Approved Repairers
FROM:	HARP
DATE:	31/08/2026
BULLETIN NUMBER:	HARP2026/07/01
SUBJECT:	HYUNDAI SLA & CERTIFICATE RENEWAL

Dear Approved Repairer,

The current HARP approval window ends at the end of September 2026, Hyundai would like to inform you that an extension of this term will be granted until **31 December 2026**. All active Hyundai Agreements/SLAs and Approval Certificates will remain legally valid until 31/12/2026.

Further to our communication during the recently held National Roadshows, this extension is necessary to allow enough time for the MOTUS Group approval and Audit consolidation exploration process.

This initiative to consolidate approvals and all audits is considered with your interests at heart and has proven to have a positive future impact on your businesses, both financially and administratively.

In the next round of national roadshows scheduled for later in the year we will, (together) with all our sister OEMs within MOTUS, communicate further details about this progressive initiative.

We look forward to sharing this valuable feedback with you in due course.

Regards,

HARP Team
