To whom it may concern,

Letter of Recommendation: Nazirs Paint & Panel Shop

Hyundai Lenasia has been dealing with Nazirs Paint & Panel for the last 2 years for all our repair work. Our relationship started out of necessity as there were no reputable/reliable panelbeaters in our area. This relationship has now developed into one based on trust, and commitment from both parties.

Nazirs Paint & Panel shop have proven to have the same core values as us, in that they have always placed the needs of our customers first, delivered on their promises, and given us impeccable work, which puts us in a positive light with our clients.

This letter of recommendation serves as a compliment to Nazirs Paint & Panel shop, for them always going the extra mile to assist us, as well as, to request, that they be added to our list of approved repairers for the Johannesburg South /Lenasia region.

Should you require any further details, please feel free to contact me.

Kind Regards,
