## Company Overview & Transformation

Renew-It Truck Centre is a dedicated, state-of-the-art, heavy commercial vehicle (HCV) repair facility strategically located in Witfontein, Kempton Park. As a wholly owned subsidiary of Blue Spec Holdings and a proudly Level 1 B-BBEE business, our centre is designed for scale, compliance, and performance. We serve South Africa's transport, insurance, and logistics sectors with OEM-approved and insurer-appointed repair solutions.

Our transformation journey is supported by strategic empowerment partners — Women's Investment Portfolio Holdings (WIPHOLD) and African Rainbow Capital (ARC). Together, we are focused on sustainable value creation for our clients, partners, and the wider industry.

## Integrated Commercial Vehicle Repair Services

Our 5000m$^2$ facility is equipped with the latest tooling, diagnostics, and repair infrastructure to support professional, end-to-end truck restoration - OEM aligned and Insurer approved.
